# 1 About this Plan

## Which doctors, hospitals and pharmacies can I use?

**Cigna Premier Medicare (HMO-POS)** has a network of doctors, hospitals, pharmacies and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

- › You can see our plan's *Provider and Pharmacy Directory* at our website, **CignaMedicare.com**.

## What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more.

- › Our customers get all of the benefits covered by Original Medicare.
- › Our customers also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this *Summary of Benefits*.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- › You can see the plan's complete *Comprehensive Prescription Drug List* which lists the Part D prescription drugs along with any restrictions on our website, **CignaMedicare.com**.

Benefit	Cigna Premier Medicare (HMO-POS)
<b>Medicare Part D Drugs Initial Coverage</b> <i>(continued)</i>	<p>You may get your drugs at preferred or standard network retail pharmacies, or preferred mail order pharmacies. Your prescription drug copay will typically be less at a preferred network pharmacy because it has a preferred agreement with your plan.</p> <p>You can get your prescription from an out-of-network pharmacy, but may pay more than you would pay at an in-network pharmacy. If you reside in a long term care facility, you would pay the standard retail cost-sharing at an in-network pharmacy.</p> <p>Your costs may be different if you qualify for Extra Help. Your copay or coinsurance is based on the drug tier for your medication, which you can find in the plan <i>Comprehensive Prescription Drug List</i> on our website <b>CignaMedicare.com</b>. Or, call us and we will send you a copy of the <i>Comprehensive Prescription Drug List</i>.</p>
<b>Coverage Gap</b>	<p>Most Medicare prescription drug plans have a Coverage Gap (also called the Donut Hole). This means that there is a temporary change in what you will pay for your drugs. The Coverage Gap begins after your total yearly prescription drug cost (including what our plan has paid and what you have paid) reaches <b>\$4,130</b>. Not everyone will enter the Coverage Gap.</p> <p>After you enter the Coverage Gap, you pay <b>25%</b> of the plan's cost for covered brand name drugs and <b>25%</b> of the plan's cost for covered generic drugs until your costs total <b>\$6,550</b>, which is the end of the Coverage Gap.</p>
<b>Catastrophic Coverage</b>	<p>After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) have reached <b>\$6,550</b>, the plan will pay most of the cost for your drugs. Your share of the cost of covered drugs will be the greater of:</p> <p><b>5%</b> of the cost of the drug</p> <p>— or —</p> <p><b>\$3.70</b> copay for generic drugs (including brand drugs treated as generic) and <b>\$9.20</b> copay for all other drugs.</p>
