What you should know

- **Open Access:** This is an HMO open access plan. An open access plan gives members more freedom. Members can visit any in-network provider for covered services without a referral.
- **Primary Care Physician (PCP):** You have the option to choose a PCP. When we know who your doctor is, we can better support your care.
- **Referrals:** Aetna Medicare Premier (HMO) doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your doctor in order to see you.
- **Prior authorizations:** Your doctor will work with us to get approval before you receive certain services or drugs. Benefits that may require a prior authorization are listed with an asterisk (*) in the benefits grid.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 a.m. - 8 p.m. local time. From April 1 to September 30, we're here Monday through Friday from 8 a.m. - 8 p.m. local time.

Understanding the benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially those services for which you routinely see a doctor. Visit **www.aetnamedicare.com** or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding important rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2022.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
