1 About this Plan

Which doctors, hospitals and pharmacies can I use?

Cigna Primary Medicare (HMO) has a network of doctors, hospitals, pharmacies and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

- › You can see our plan's *Provider and Pharmacy Directory* at our website, **CignaMedicare.com**.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more.

- › Our customers get all of the benefits covered by Original Medicare.
- › Our customers also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this *Summary of Benefits*.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- › You can see the plan's complete *Comprehensive Prescription Drug List* which lists the Part D prescription drugs along with any restrictions on our website, **CignaMedicare.com**.
- › Or, call us and we will send you a copy of the plan's *Comprehensive Prescription Drug List*.
