Clear Spring Health Essential (HMO)

January 1, 2021 - December 31, 2021

About Us

Clear Spring Health cares about your well-being. Our health plans cover everything Original Medicare covers plus provide you with additional benefits to help improve your health care experience. Our goal is to promote healthy outcomes by providing robust primary and preventative care, access to personalized health and wellness services and a member first approach to health care delivery. This is important, especially as our country and the entire world continues to deal with COVID-19, a major public health crisis. We want to be there for you, through it all. So, we've enhanced some of our 2021 plan benefits, including offering our members an opportunity to receive a WIFI enabled tablet that will provide access to telehealth visits, educational health content and basic benefit information.

About the Summary of Benefits

We want you to get the most from your health plan. This booklet gives you a summary of what we cover and what you, as a member - can expect to pay. Please keep in mind, however, it doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us or refer to your "Evidence of Coverage Booklet". You can also find a copy on our website, www.clearspringhealthcare.com.

You Have Choices About How to Get Your Medicare Benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as Clear Spring Health Essential (HMO)).
- In an HMO plan, you pick one primary care physician. All your health care services go through that doctor. That means that you may need a referral before you can see any other health care professional, except in an emergency and urgent care. Visits to health care professionals outside of your network typically aren't covered by your insurance.

Tips for Comparing Your Medicare Choices

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on www.medicare.gov.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
