### Have questions?

- Please call us toll-free **1-800-809-7328** (TTY: **711**), and follow the instructions to be connected to a representative.
- Hours of operation: 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

- You can learn more about us on our website at <https://shop.empireblue.com/medicare>.

While the Summary of Benefits does not include every service, limit or exclusion, the *Evidence of Coverage* does. Just give us a call to request a copy.

Empire MediBlue Core (HMO) is a Medicare Advantage plan. It includes hospital and medical benefits in one plan. To join this plan, you must:

- Be entitled to Medicare Part A,
- Enrolled in Medicare Part B, and
- Live in our service area.

With this plan, you must use doctors and facilities in our plan. If you use a doctor or facility not in our plan, we may not cover the services.

### Medicare coverage that goes beyond Original Medicare

- Like all Medicare Advantage health plans, we cover everything that Original Medicare covers — Part A (hospital services) and Part B (medical services), plus more. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less (see benefits section for more details).
- This plan covers Medicare Part B drugs (such as chemotherapy and some drugs administered by your provider). However, this plan does not cover Part D prescription drugs.

## **This is a Health Maintenance Organization (HMO) plan. That means:**

- You must choose a primary care provider (PCP) in the plan's network of doctors for covered services.<sup>1</sup> A PCP is your main doctor who provides most of your medical care, including routine care and hospitalizations. Your PCP will also help coordinate your care after a stay in the hospital.
- Before you get care from a specialist, we highly recommend you talk to your PCP first. Doing so will keep your PCP informed and will help ensure you get the right care. Many specialist services require a referral from your PCP. So if you have a favorite specialist, make sure to ask if the specialist is in the plan's network.

---

<sup>1</sup> If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to get covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available, or dialysis services when you are out of the service area. If you get routine care from doctors outside our plan, neither Medicare nor Empire BlueCross BlueShield will pay for it.

## Is your PCP in our plan's network of doctors?

If, for any reason, you need to change your PCP, give us a call – we can help you! A doctor or PCP can join or leave our plan at any time, so be sure to ask if he or she is in our Medicare Advantage plan, taking new patients and accepts Medicare. You can find a PCP in our plan or check their status online. Just follow the steps below.

### How to find a doctor/PCP in our plan:

- Go to <https://shop.empireblue.com/medicare>
  1. Scroll to the *Useful Tools* section and choose the tab labeled **Find a Doctor**.
  2. Enter your ZIP code, county and the date you want your coverage to begin and select **Continue**.
  3. Fill in the details of your search (city, doctor's name, distance, etc.).
  4. Be sure to check that the doctor displays as “In-Network” for these plans.
- Or you can call us and ask for a copy of the *Provider Directory*. The phone number is on page 2.

## Optional supplemental dental and/or vision benefits

You can add an Optional Supplemental Benefits (OSB) package to our plan for an additional monthly premium. (Optional Supplemental Benefits may not be available with every Medicare Advantage plan in this enrollment guide. See the “Optional Supplemental Dental and Vision Plans” section of the medical benefits chart for more details, including costs.)

# Summary of 2021 medical benefits

On the following pages, you can review more about our plan benefits to help you choose the right plan for you. If you want to compare our plan with other Medicare health plans, call and ask the other plans for a copy of their Summary of Benefits.

# An overview of how Medicare works

If you're new to Medicare, this information can help you decide what option is right for you.

**ORIGINAL MEDICARE (PARTS A and B) is offered by the federal government. It helps cover the costs for:**

- A**   Inpatient care in hospitals and skilled nursing facilities (not custodial or long-term care)
- B**   Hospice and some home health care services
- Doctors' services, hospital outpatient care and some home health care services, as well as lab tests, medical equipment and supplies
- Most preventive services, including a yearly wellness exam

**But Original Medicare doesn't cover everything. Parts A and B don't cover:**

- Prescription drugs 
- Routine vision, dental or hearing care   

## Here are your options:

OPTION 1 - Choose all your coverage in one Medicare Advantage Plan:	OPTION 2 - Choose one or both of the following:
<p><b>Medicare Part C</b></p> <p><b>C+D+Extras</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Includes all of Part A (hospital) and Part B (medical) coverage</li> <li><input type="checkbox"/> Usually includes Part D prescription drug coverage</li> <li><input type="checkbox"/> Often offers extra services and benefit options</li> <li><input type="checkbox"/> Has yearly limits on your out-of-pocket costs for medical services</li> </ul>	<p><b>Medicare Supplement</b> </p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Medicare Part A or Part B deductibles, coinsurance or copayments</li> <li><input type="checkbox"/> Medicare Part B excess charges</li> <li><input type="checkbox"/> Skilled Nursing Facility care coinsurance</li> <li><input type="checkbox"/> Foreign Travel Emergencies</li> </ul> <hr/> <p><b>Prescription Drug Coverage</b></p> <p><b>Part D</b> </p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Helps pay for many of your prescribed drugs</li> <li><input type="checkbox"/> Gives you access to mail-order options and retail drugstores across the country</li> </ul>

## When you can enroll

### Initial coverage period

You can sign up for a Medicare Advantage or Part D plan when you are first eligible for Medicare. Your initial enrollment phase is a 7-month period that includes the 3 months before you turn 65, the month you turn 65 and the 3 months after you turn 65.

### Annual election period - October 15 to December 7

This is the time frame each year that you can enroll in or change your Medicare Advantage or Part D plan. You may also switch to Original Medicare (Parts A and B). New coverage begins January 1 of each year, after you've enrolled.

### Open enrollment period - January 1 to March 31

If you're enrolled in a Medicare Advantage Drug (MA-PD) plan, you may switch to another MA-PD plan; an MA-only plan; or Original Medicare with or without a PDP.

### Special enrollment period

You can sign up for a Medicare Advantage or Part D plan outside of the time frames above if certain events occur in your life or if you're eligible for low-income subsidy (also called "Extra Help").

## Medicare ID cards

The Medicare plan option you choose will determine the plan ID card or cards you will need to carry with you at all times.

### If you choose one of our Medicare Advantage (MA) plans:

#### One Card for ALL!

You should put away your red, white and blue Medicare ID. Just present your MA plan ID card for all your covered medical benefits.

## Avoid late-enrollment penalties

It's important to enroll in a Medicare plan when you're first eligible. If you don't, you may have to pay the following penalties:

**Medicare Part A:** Your monthly premium, if you have one, may increase by 10% per year for twice the number of years you could have had Part A but didn't sign up.

**Medicare Part B:** Your monthly premium may increase 10% for each 12-month period that you could have had Part B but didn't sign up. You'll have to pay this penalty for as long as you have Part B.

**Medicare Part D:** If you don't sign up when you're first eligible, you may have to pay this penalty for as long as you are enrolled in Part D, and it may increase every year. (You may not have to pay if you receive "Extra Help" or can provide proof of other creditable coverage.)
