About MoreCare, Inc.

Community-based and provider led, MoreCare, Inc. brings a unique, coordinated approach to health care – making it easier for Medicare-eligible folks like yourself to get the **quality, whole-person care** you deserve. MoreCare’s Medicare Advantage plans are designed to give you the coverage and options you need to stay healthy. We strive to keep **quality high and costs low** by working with local providers and hospitals to deliver **personalized, coordinated care you can trust**.

MoreCare, Inc. is an HMO with a Medicare contract. Enrollment in MoreCare, Inc. depends on contract renewal.

This booklet provides a summary of what we cover and what you pay. This summary does not list every service that we cover or list every limitation or exclusion. To get a complete list of the services that we cover, call us to ask for the “Evidence of Coverage”. You can also find a copy on our website at mymorecare.com.

Who can Join?

To join **MoreCare At Home (HMO I-SNP)**, you must:

- Be entitled to Medicare Part A, be enrolled in Part B, and live in the plan’s service area. Our service area is **Cook County, Illinois**.
- Live in a nursing home or other long-term care facility that is part of our network.
- *Or* – You live at home and the State of Illinois has certified that you need the type of care that is usually provided in a nursing home.

What Providers can I use?

- **MoreCare At Home (HMO I-SNP)** has a network of doctors, hospitals, pharmacies, and other providers. Except in emergency situations, if you use providers that are not in our network, the plan may not pay for the services.
- When you enroll in the plan, you will select a primary care provider (PCP). Most of your health care services will be referred by your PCP. You may need a referral before you can see other providers. Certain services will require a prior authorization.
- You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.
- You can see our plan’s Provider Directory and Pharmacy Directory at our website at mymorecare.com. Or call us and we will send you a copy of the Provider and Pharmacy Directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and more.

- **For some of these benefits, you may pay more in our plan than you would in Original Medicare.** For others, you may pay less.
- **Our plan members also get more than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.
- We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.
- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, mymorecare.com. Or, call us and we will send you a copy of the formulary.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare Advantage health plan, such as **MoreCare At Home (HMO I-SNP)**.
- In a Medicare Advantage HMO plan, you pick one primary care provider (PCP). Most of your health care services will be referred by the PCP you select. Visits to health care professionals outside of your network typically aren't covered by the plan.

Tips for comparing your Medicare choices

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or you can visit the Medicare Plan Finder on <http://www.medicare.gov>.

Monthly Premium	\$0 per month. In addition, you must keep paying your Medicare Part B premium.
Plan Deductible	This plan does not have a deductible.
Is there any limit on how much I will pay for my covered services?	Yes. Like all Medicare health plans, our plan protects you by having yearly limits on your out-of-pocket costs for medical and hospital care.
