### What you should know

- **Primary Care Physician (PCP):** A PCP is important for helping to coordinate care and this plan requires you to select a PCP. When you enroll, we'll ask who your PCP is. If you don't tell us, we'll assign one to you. You can always change the PCP by calling us.
- **Referrals:** Aetna Medicare Advantra Eagle (HMO) doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your doctor in order to see you.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services. Benefits that may require a prior authorization are listed with an asterisk (\*) in the benefits grid.

You can find more details on each benefit listed below in the Evidence of Coverage (EOC).
