

Zing HEALTH™
Medicare Advantage Plan

Summary of Benefits

JANUARY 1, 2022 - DECEMBER 31, 2022

INDIANA (HMO-CSNP)

H4624-011 Zing Essential Wellness IN (HMO-CSNP)

Service Area: Allen, Lake and Marion Counties

Important Plan Information

Zing Health is a Medicare Advantage plan with a Medicare contract. Enrollment in the plan depends on contract renewal.

This easy-to-use guide helps you to understand what benefits are covered by the plans. The benefit information provided is a summary of what we cover and what you can expect to pay. It does not list every service that we cover or list every limitation or exclusion. For a complete list of services we cover, call us, or request the “Evidence of Coverage” booklet.

For more information, please call us at **1-866-946-4458 (TTY users should call 711)**, or visit us at **www.myzinghealth.com**.

Who can join?

To join **Zing Essential Wellness IN (HMO-CSNP)**, you must be entitled to Medicare Part A, be enrolled in Part B, have one of the following conditions: Cardiovascular Disease, Congestive Heart Failure and/or Diabetes Mellitus, and live in the plans service area.

The service area includes the following counties: Allen, Lake, and Marion.

What providers can I use?

Zing Essential Wellness IN (HMO-CSNP) has a network of doctors, hospitals, pharmacies, and other providers. As a member you must select an in-network primary care physician (PCP). Most of your health care services will be referred by the doctor you select. That means you may need a referral before you can see other health care professionals. In some instances, a prior authorization may be required for some services you receive. Except in emergency situations, if you use providers that are not in our network, the plan may not pay for these services.

Members of this plan will have access to nurses who are called Care Managers. Care Managers work in conjunction with members and their healthcare providers to close gaps in care and support individualized care plans developed to address members specific needs geared toward improving health related outcomes.

What are our hours of operation?

Hours of operation are between 8 a.m. and 8 p.m. Monday through Friday (from April 1 through September 30) and 8 a.m. to 8 p.m. 7 days a week (from October 1 through March 31).

- If you are a member of this plan, call toll free **1-866-946-4458 (TTY users should call 711)** or visit us at **www.myzinghealth.com**.
- If you are not a member of this plan, call toll-free **1-866-946-4458**.

What does Original Medicare cover?

If you want to know more about the coverage and costs of Original Medicare, review your current “Medicare & You” handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

This document is available in other formats such as braille, large print or audio. For additional information, call us at **1-866-946-4458**, (TTY users should call 711).

OUTPATIENT PRESCRIPTION DRUGS

If you don't have Extra Help for your drugs, you'll pay the following:

Deductible Stage

\$0 Deductible

Because your plan does not have a deductible, this stage does not apply to you. You start the Initial Coverage Stage when you fill your first prescription.

Initial Coverage Stage

You are in the Initial Coverage Stage until you reach **\$4,430** in drug costs (year to date). You pay the following until your total yearly drug cost reach **\$4,430**. Total yearly drug costs are the total drug costs paid by both you and your plan.

Once you've reached this amount, you enter the coverage gap.

As part of the Insulin Savings Program, you will pay no more than **\$35** for a one-month supply for select insulins during the Initial Coverage Stage.

Specialty drugs are limited to a 30-day supply.

This plan includes enhanced drug coverage of certain excluded drugs. Generic only Sildenafil (Viagra) is available on Tier 2.

Coverage Gap Stage

Most Medicare drug plans have a Coverage Gap (also called the “donut hole”). The coverage gap begins after you and your drug plan together have spent **\$4,430** for covered drugs.

After you enter the coverage gap, you pay **25%** of the plan’s costs for covered brand name drugs and **25%** of the plan’s cost for generic drugs until your cost total **\$7,050**. During this stage, you will continue to pay the same retail, mail-order, and long-term care copay as in the Initial Coverage Stage for drugs on Tier 1. Also during this stage, your out-of-pocket costs for select insulins will be up to **\$35**.

For generic drugs, the amount paid by the plan (**75%**) does not count toward your out-of-pocket costs. Only the amount you pay counts and moves you through the coverage gap. You will remain in the coverage gap stage until your drug costs total **\$7,050**, which is the end of the coverage gap. Not everyone will enter the coverage gap.
